D41 PQD PULSE

Message from the PQD

TM Gaurav Chaudhary

Greetings fellow Toastmasters of District 41!

As we embark on another exciting year of growth and development, I want to remind each and every one of you of your immense potential. Believe in yourselves and your abilities, for you have the power to achieve your goals and create clubs that thrive.

Embrace the upcoming opportunities for growth, such as the Toastmasters Leadership Institute (TLI) sessions in Nepal and India. Align with your respective Club Leaders for the TLI dates and your participation in it. These TLIs offer a chance to learn from inspiring trainers and gain valuable insights to perform as a club officer for your club. Network with fellow leaders, strengthen your leadership skills, and together, let's elevate our clubs to new heights.

Remember, you are stronger than you think, and you are capable of amazing things. This is also a great time to get involved with your Area's Distinguished Club Plan, Area Success Plan, and Club Success Plan. Your participation is crucial for our collective success. And don't forget about the upcoming Toastmasters Contests – a fantastic opportunity to showcase your skills and inspire others.

I have full confidence in your abilities to make this year truly remarkable. Let's continue to learn, grow, and make a lasting impact together.

Yours in Toastmasters,
TM Gaurav Chaudhary
